MEMORANDUM FOR THE RECORD

SUBJECT: Signature-Comment Cards for Use With the Official
Photograph of the President of the United States

1. Attached are signature-comment cards that can be inserted in the space provided at the lower portion of the frames for housing the Presidential Photograph in the DCI Conference Room and on "Presidents Row." The opening of the insert space in the frame for the DCI Conference Room is slightly longer than that in the frame for the Presidents Row and this card is appropriately marked on the reverse side.

2. We will have the 9x11-1/2" Presidential Photograph available on 4 March 1977. If we could have the signature-comment cards back by 7-8 March we could arrange to hang the pictures prior to President Carter's visit.
